GENERAL INSTRUCTIONS
(Do not return this sheet)

In order to maintain your license, you must meet the requirements of 22 TAC Chapter 216, and §§213.27, 213.28, 213.29, 213.33 217.6 and 217.7, as applicable, and pay the appropriate fee. "A registered nurse who practices professional nursing or a vocational nurse who practices vocational nursing after the expiration of the nurse's license is an illegal practitioner whose license may be revoked or suspended." Texas Occupations Code §301.301(f).

ACTIVE APPLICATIONS

An application and payment are considered to be active for up to one year from the date of receipt in the Board's office per our Records Retention Policy. All licensure requirements must be met within that year's timeframe or the application and payment will be considered null and void. Should this occur, a new application and payment would need to be submitted; and the nurse will need to meet all current requirements in effect at that time.

PRIMARY STATE OF RESIDENCE

Declaring a compact state, other than Texas, will cause your renewal to be rejected since you can practice in Texas on your declared compact state license. In addition, the BON reserves the right to seek clarification when needed. Per Rule 220.2(b), primary state of residence is determined by the following documents and you may be requested to submit one or more to satisfy residency requirements:

- (1) a driver's license with a home address;
- (2) voter registration card displaying a home address;
- (3) federal income tax return declaring the primary state of residence;
- (4) Military Form No. 2058 - state of legal residence certificate; or
- (5) W2 from US Government or any bureau, division or agency thereof indicating the declared state of residence.

For more information regarding the compact, visit our website at www.bon.texas.gov or the National Council of State Boards of Nursing's website at <https://www.ncsbn.org/nlc.htm>.

CONTINUING COMPETENCY

Attach 20 contact hours of continuing competency certificates that meet the Board's criteria set out in 22 TAC Chapter 216, awarded within two years immediately preceding this license reactivation form.

NAME CHANGE

For name change, you must submit a copy of legal documentation, (e.g., marriage license, divorce decree, corrected driver's license) which states the name change.

COPIES OF LICENSES

Reminder: No More Paper Licenses Upon Renewal After September 1, 2008. The Board of Nursing discontinued issuing wallet-sized paper licenses for nurses renewing their licenses after September 1, 2008. Nurses and nurse employers should go to the Board's website at www.bon.texas.gov to verify a license online. The verification, once printed, will resemble a license and will allow you to have the document laminated for the purpose of carrying.

CRIMINAL BACKGROUND CHECK

If you have not previously completed a criminal background check for the Texas Board of Nursing, or the BON does not have a disposition with a state identification number on file for fingerprints previously submitted, you may be required to complete the process at this time. You will be notified by our office if this is a requirement.

GENERAL INSTRUCTIONS - Continued

If you answered yes to questions 1-5 of the Eligibility Questions on page 2, you must provide the Board with the following information:

***QUESTION #1.** The Board has determined that criminal behavior is highly relevant to an individual's fitness to practice nursing. Therefore, all criminal convictions or deferred orders, prosecution, or adjudication-a determination by a court that is withheld or delayed for a specific time period, must be reported to the Board. This question includes offenses under the law of another state, federal law, or the Uniform Code of Military Justice that contains elements of criminal conduct. **SUBMIT** a personal letter of explanation describing each incident, the behavior that led up to the criminal order and your conduct since the order, and any rehabilitative efforts that have been performed since the order. In addition, **SUBMIT** the following documentation for **all** felonies, **all** misdemeanors, **and** all military actions:

Certified copies of:

1. charges (indictment, information, or complaint);
2. disposition of charges (Judgment, Order of Probation, Sentence, and/or Deferred orders); and
3. evidence that the conditions of the court have been met.

(To obtain this documentation, contact the county clerk in the jurisdiction where the order was issued for misdemeanors; district court clerk for felonies.)

You may answer "NO" to the question of prior convictions only if you: (a) received a pardon; or (b) were adjudicated as a minor without a finding of "delinquent conduct". If you were ever required to register as a sex offender, you must answer "YES".

If you have questions regarding the outcome of any criminal matter, consult your attorney.

***QUESTION #2.** The Nursing Practice Act provides that a person's conduct in violation of the Nursing Practice Act or rules of the Board may be considered as a factor in its deliberations regarding fitness to practice nursing. Therefore, if a licensee or applicant is the subject of a grand jury or governmental agency investigation, the information regarding conduct or behavior giving rise to the investigation may be relevant in determining a violation of the Nursing Practice Act or lead to the admissibility of relevant evidence of such violation. If you are the subject of a grand jury or governmental agency investigation, please **SUBMIT** the name and address of the investigating entity and an explanation as to the basis of the investigation.

QUESTION #3. The Board has determined that if any licensing authority has taken disciplinary action against a person for any reason, then those actions are highly relevant to an individual's current ability to practice nursing in the state of Texas. If any licensing authority has refused to issue a license, revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a license, certificate, or multi state privilege held by you or previously fined, censured, reprimanded or otherwise disciplined you, **SUBMIT** the names and address of the licensing authority who has taken action and a letter explaining the background of the action. Additionally, **SUBMIT** certified copies of:

1. formal charges or allegations supporting the licensure action;
2. final disposition of the licensing authority regarding those formal charges or allegations; and
3. evidence that the conditions of the licensing authority's order or requirements have been met.

***QUESTION #4.** The practice of nursing requires current fitness. The Board has identified certain disorders which, if occurring within the last 5 years, may indicate a lack of fitness. The disorders are: schizophrenia and other psychotic disorders, bipolar disorder, paranoid personality disorder, anti-social personality disorder, or borderline personality disorder. If you have been diagnosed, treated, or hospitalized for any of the above illnesses within the last 5 years, which impaired or does impair your behavior, judgment, or ability to function in school or work, submit the following information that will allow the Board to conduct an individualized assessment of your ability to practice safely, competently, and without impairment to your professional judgment, skill, or knowledge.

1. A report, on letterhead, from your physician, psychiatrist, psychologist or counselor, sent directly to this office, that includes: your diagnosis; treatments rendered; including current medications; prognosis; cognitive, affective, and emotional stability and continuing after-care recommendations, including reasonable accommodations needed to safely practice nursing, if any; and,
2. Verification of compliance with aftercare recommendations.

Please be advised that a physical/psychological evaluation may be requested as part of your individualized assessment. The evaluation process is described in more detail at www.bon.texas.gov/disciplinaryaction/eval-guidelines.html.

The evaluation process could potentially delay consideration of your renewal. Therefore, the Board is providing advance notice of this possibility so that applicants may contact the Board to schedule an evaluation at the beginning of the renewal process. By doing so, the renewal should not be unduly delayed. An applicant is not required to contact the Board in advance of Board consideration of the renewal. The applicant may choose to wait for a specific decision by the Board that a specific evaluation is necessary. This information is being provided to put applicants on notice with respect to this potential requirement and afford the applicant the opportunity to expedite the process if he/she so desires.

*QUESTION #5. The practice of nursing requires current sobriety and fitness. If you have been addicted to or treated for the use of alcohol or any other drug within the last five years, SUBMIT:

1. verification of treatment for substance abuse sent directly to the Board from the treatment center;
2. verification of compliance with aftercare recommendations;
3. evidence of continuing sobriety/abstinence; for example, current support group attendance and random drug testing results; and
4. a personal letter of explanation with sobriety date and plan for relapse prevention.

*Pursuant to the Texas Occupations Code §301.207, information, including diagnosis and treatment, regarding an individual's physical or mental condition, intemperate use of drugs or alcohol, or chemical dependency **and** information regarding an individual's criminal history is confidential to the same extent that information collected as part of an investigation is confidential under the Texas Occupations Code §301.466.
