This data is produced by the Texas Board of Nursing (BON) from information voluntarily provided by nurses who hold a current Texas license. Statistical information regarding employment is requested at the time of licensure and at each renewal. Prior to 09/2009, no response was defaulted to the Unemployed category. Starting 09/2009, a new category of Unknown was implemented to provide delineation between Nurses who did not provide employment data and Nurses who selected the Unemployed category. Due to the fact that this data is voluntary and is only reviewed by the nurse every two years, the BON cannot ensure that the data accurately reflects the nursing workforce at a given point in time.

This report, or any portion thereof, may be used. The BON would appreciate being recognized as the source.
